For 13 years we have previously sold all of our products by producing a quotation by hand and then sending this by email back to our customer. Thanks to our new site, you the customer can now produce your own quotation. If you are happy with the price offered you then can proceed to purchase the goods speedily on line, either through our on line secure credit card purchase system, or print out the details, write out the cheque and post it to us as you do now. For those that have access to Online banking you can also use I.A.C.S.

As a buying group our main aim is to seek out the best prices for all our customers. We use British companies and where possible British made products. We sell the most popular lightweight folding tables from Gopak. We also have the widest range of chairs available from the simple polypropylene stacking chair with optional seat and back pad, through to folding chairs that can be neatly stored away on a variety of trolleys. We also offer a range of Church chairs upholstered in a wide range of top British upholstery colours.

Click on the images below to see our furniture ranges
